

It's that time again where "Ready to Mow" becomes "Ready for Snow"! The same great service that comes to you....

The leaves are starting to fall, and you know what comes after that.... WINTER! Whether you have mowed for the last time, need to put your Deere up for the winter, or it's time to install your snowblower to get ready for that white stuff that is sure to follow; *WE CAN HELP!!* Just make an appointment on-line or call one of our service departments, and let us do the rest.... You will be spared the inconvenience of having to transport your tractor to our facility, and down-time will be virtually eliminated because we come to you. Your tractor never leaves your home!

Your service will include this 14-point inspection:

- *Change engine oil and filter
- *Replace air filter
- *Replace sparkplugs
- *Sharpen blades
- *Grease unit
- *Check battery
- *Inspect belts
- *Check tire pressure
- *Test operation of brakes, carburetor, transmission
- *Test safety switches
- *Clean and level deck
- *Clean engine compartment
- * Replace fuel filter
- *Test run machine
