

JOHN DEERE COMPACT UTILITY TRACTOR CONSUMER 5 YEAR ENGINE WARRANTY FOR NEW EQUIPMENT 2006

Warranty

Limited Engine Warranty. Certain Engine components are covered by this warranty for a total of 2 additional years. Please note: Standard JD warranty is 3 years. Hammond Tractor Co. is extending the engine warranty an additional 2 years. The “Limited Engine Warranty” commences on the receipt of a Customer Delivery Receipt, and applies to the following items:

Customer Responsibility: In order for Hammond Tractor Company to pay for any repairs in 4th and 5th year, customer must do the following:

- Have HTC do the scheduled engine maintenance at suggested service intervals, or
- Customer must do all scheduled engine maintenance & provide copies of documentation that maintenance was performed. (Example: Date, Hours) If Customer does the maintenance, only John Deere parts & oils may be used. Copies of the receipts for such parts must be provided.

Engine Items Covered: Rocker arm cover and gasket, cylinder head and gasket, oil pan and gasket, injection pump and gasket, water pump and gasket, thermostats, engine block, ring gear and flywheel, timing gear cover, front and rear engine seals, manifold and gaskets, flywheel housing and gasket and all parts fully enclosed within the above components.

NOTE: Transportation to Hammond Tractor’s facility is responsibility of customer.

DISCLAIMER: Hammond Tractor Co. has the right to void this contract if abuse and neglect take part to cause engine damage in year 4 or 5. JD 110 TLB does not qualify for this program. Tractor and engine use cannot exceed 2,000 hours. This 5yr warranty does not apply to commercial and government applications.
